Summary

Possible summary:

As a Digital Marketing Specialist , I help businesses of various sizes and sectors grow and optimize their online presence. With over 10 years of experience in digital marketing, I have developed a comprehensive set of skills and knowledge in SEO, Ads , social media marketing, content marketing, and more. I am also Google certified in Google Ads and Google Digital Garage, which attest to my proficiency and professionalism in digital marketing.

In addition to my freelance work, I am also an Executive Assistant to Columbus Partners at Globalie, a global investment firm that invests in sustainable and social impact projects. In this role, I support the partners with digital strategy, SEO , and project management. I help them create and execute effective digital marketing campaigns that showcase their vision and mission, attract and engage their target audience, and generate positive social and environmental outcomes.
